

# Sensormatic® SuperTag® Combo

**Protects** with both microwave and Ultra•Max® technologies

## Product Benefits

- *Dual technology tag helps ease transition from microwave to Sensormatic Ultra•Max detection*
- *High detection rate*
- *Sensormatic quality for ease of mind*

## Dual anti-shoplifting technologies help ease transition.

The Sensormatic SuperTag Combo helps you transition your microwave anti-theft system to Ultra•Max with ease. It contains both microwave and Ultra•Max elements, so it works with both kinds of detection systems. You're assured of superb detection performance and all the benefits of our rugged SuperTag design.

**Demand the best. Prevent the worst.™**

Security

## Make the most of your anti-theft investments

The SuperTag Combo helps you make a smooth transition when migrating your detection systems from microwave to Ultra•Max. It lets you change gradually, with no need for costly retagging and immediate detector replacement. Just use the dual-technology SuperTag Combo on new merchandise as it arrives. It's the obvious solution for minimal disruption and maximum protection.

## Demand the best

Sensormatic anti-shoplifting solutions are known worldwide for quality, performance, reliability, and affordability. Leading retailers everywhere choose Sensormatic because we offer all Electronic Article Surveillance (EAS) technologies. For aisle detection, exit detection, narrow or wide performance, Sensormatic has the technology that's right for you.

## Reliable detection performance

You can use the SuperTag Combo with your current Sensormatic microwave or Ultra•Max systems. You'll get excellent detection performance with either system. SuperTag Combo is built with best-in-class design practices and the finest of materials for first-class overall performance.

### Features

- Operates in both Sensormatic microwave and Ultra•Max systems
- SuperTag high-quality construction
- SuperTag high defeat resistance

SuperTag power detacher

SuperTag hand detacher

## SuperTag design for high defeat resistance

The SuperTag Combo follows Sensormatic's renowned SuperTag design. Its unique, patented locking mechanism holds tacks tightly against the most persistent shoplifter. And the housing is made from the same super-tough plastic found in the entire SuperTag family. You get the peace of mind that only comes through time-tested strength, durability and integrity.

## Compatible with other Sensormatic products

Your investment in Sensormatic equipment is as well protected as

your merchandise will be. The SuperTag Combo is compatible with all SuperTag detachers, lanyards and tacks, and our Versatie products.

## Tag Dimensions

(LWH) 4.3 x 1.2 x 0.74 in. (109 x 31 x 19 mm)

Weight: 0.67 oz. (19 g)
